

*"center of the plate specialists"*

**Michael's Finer Meats & Seafoods meat boxes are perfect for gift-giving or for at-home dining and entertaining. Your friends and family will enjoy the same flavorful, high-quality beef served in fine restaurants for more than 40 years.**

Michael's beef is aged for at least 21 days for perfect tenderness and flavor. And our experienced butchers carefully hand-trim and cut each selection in our state-of-the-art, USDA-inspected plant. Orders are then vacuum-sealed and blast-frozen for freshness and flavor.

We know you and your recipients will love our steaks and chops — after all, you've been enjoying them at your favorite restaurants for years.
